

## Standard NDT training Rates for 2010

Training	Duration (1) hours/days	Price (€) excl. VAT	Training	Duration (1) hours/days	Price (€) excl. VAT
Basic NDT (4)	16/2	560	UT 1	56/7	2.335
PT 1+2	24/3	1.135	UT 2	80/10	3.060
MT 1+2	24/3	1.135	TOFD 2	80/10	3.175
RT 1	40/5	1.590	Phased Array Intro	16/2	945
RT 2 (3)	80/10	2.885	TOFD + PA Basics	40/5	2.365
Film Interpretation 2	80/10	2.885	Phased Array 2 (5)	80/10	4.185
VT 1+2	40/5	1.575			

- Our latest deposited version of the General Conditions of Sale and Delivery applies to all our offers to and agreements with customers. These General Conditions of Sale and Delivery have been deposited with the Registry of the District Court in Breda.
- The prices apply to every participant.
- Our prices cover the training, the textbook, the certificate of completion and lunch.
- Additional costs for examinations and certificates are not included in our prices – further details about this are available on the websites of SKO, BANT or BINDT.
- A 5% discount is available for at least 3 enrolments by the same company in the same training course.
- The training sessions start at 8 am and end at 4.30 pm.
- Vinçotte reserves the right to refuse an enrolment without the need to provide any justification.
- Confirmed participation can be cancelled without costs up till one week prior to start of training. Cancellation between 1 week and 24 hours prior to start of training will be charged at 50% of rate. Cancellation less than 24 hours prior to start of training will be charged 100% of rate.
- A training course may be postponed or discontinued if there are not enough enrolments.
- An attempt will be made to arrange extra training courses if there are too many enrolments.

ASNT and RTPO (5) – Examination prices	Price per participant (€) excl. VAT
1 participant per company	625
2 participants per company	475
3 participants per company	375
4 or more participants per company	290

EN 473 Examination prices	Price (€) excl. VAT
SKNDO– examination & certificate	<a href="http://www.skocert.nl">http://www.skocert.nl</a>
BANT–examination & certificate	<a href="http://www.bant.be">http://www.bant.be</a>
PCN– examination & certificate	<a href="http://www.bindt.org">http://www.bindt.org</a>

- (1) Examination not included. Examinations are planned by mutual agreement.  
 (2) For RT 1+2 it is assumed a participant already has a CI5A Radiation Safety certificate  
 (3) RT2 without FI concerns EN473, RT2 with FI concerns ASNT  
 (4) General NDT, the basic NDT course, is obligatory when an EN473 examination is required for PT and/or MT  
 (5) The Phased Array 2 examination is possible only in compliance with BINDT (PCN)

### **In-house company training**

Our training sessions can also be organised in your company.  
 Offer and conditions available on request.

**Enrolment form** on the other side (the fields should preferably be filled in digitally).
