VT 1+2	40/5	1.720	Phased Array 2 (5)	80/10	4.285

- Our latest deposited version of the General Conditions of Sale and Delivery applies to all our offers to and agreements with customers. These General Conditions of Sale and Delivery have been deposited with the Registry of the District Court in Breda.
- The prices apply to every participant.
- Our prices cover the training, the textbook and lunch.
- Additional costs for examinations and certificates are not included in our prices – further details about this are available on the websites of SKO or BANT.
- A 5% discount is available for at least 3 enrolments in the same training course in the same period.
- The training sessions start at 8 am and end at 4.30 pm.
- Vincotte reserves the right to refuse an enrolment without any justification.
- Confirmed participation can be cancelled without costs up till one week prior to start of training. Cancellation between 1 week and 24 hours prior to start of training will be charged at 50% of rate. Cancellation less than 24 hours prior to start of training will be charged 100% of rate.
- A training course may be postponed or discontinued if there are not enough enrolments.
- An attempt will be made to arrange extra training courses if there are too many enrolments.
- Application by means of enrolment form is not a guarantee for participation; 3-4 weeks prior to the start of training a definite participation list is composed and distributed.
- Participation statements and/or ASNT exam records will be distributed after completion of full invoice

ASNT – Examination rates	Price per participant (€) excl. VAT
1 participant per company	675
2 participants per company	510
3 participants per company	410
4 or more participants per company	310

EN 473 Examination prices	Price (€) excl. VAT
SKNDO– examination & certificate	http://www.skocert.nl
BANT–examination & certificate	http://www.bant.be

- (1) Examination not included. Examinations are planned by mutual agreement.
 (2) For RT 1+2 it is assumed a participant already has a CI5A Radiation Safety certificate
 (3) RT2 is given without Film Interpretation; if BANT or ASNT examination is required, (a part of) the Film Interpretation must be followed if Film Interpretation is required.
 (4) General NDT, the basic NDT course, is obligatory when an EN473 examination is required for PT and/or MT
 (5) The Phased Array 2 examination is possible only in compliance with SKO
 (6) If RT1 is attended in Belgium, it is for 56 hours. In addition General NDT must be attended as well
 (7) UT1 R (ASNT is 24 hours, with a level 2 certificate, BANT is 40 hours, with a level 1 certificate, and SKO is 80 hours with a level 2 certificate)

In-house company training

Our training sessions can also be organised in your company.
 Rates and conditions available on demand.

Enrolment form on the other side (the fields should preferably be filled in digitally).
